

As an American citizen, I demand that immediate action be taken against Sinclair Broadcasting for their decision to force their stations to air an anti-Kerry documentary days before the election. This is a breach of the public trust and a clear and dangerous misuse of the public airwaves.

Sinclair Broadcasting has clearly forfeited the privilege of using that which does not belong to them by using the public airwaves to further their own agenda at the expense of serving the public interest, as mandated by law. Revoke the broadcasting license of Sinclair Broadcasting as soon as is legally possible and take whatever additional measures are appropriate and necessary.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
